

## Who should attend?

### You are a perfect candidate if:

- You are learning to walk with Jesus but find yourself tripping over your past.
- You are having a difficult time forgiving yourself or someone else.
- You sometimes react to situations out of fear.
- You are at the end of your rope, spiritually, and the striving has you feeling exhausted.
- You are often confused, frustrated, or anxious.
- You are finding it difficult to break a recurring sin pattern.
- You are having a difficult time with those closest to you.

The Workshop is a time of awareness and equipping to help you walk out the process of healing. It is a revelation and application of all Jesus did for us on the cross.

# About The Engagement

**Our Mission: To team up with the Holy Spirit and to reach inward to the heart and soul, providing safe ground for believers to receive teaching and prayer for liberation from life's hurts.**

**Our desire is to reveal the lies and replace with the truth of how God sees you.**

**As Jesus boldly proclaimed when speaking at Nazareth, "The Spirit of the Lord is upon me, for He has appointed Me to preach the good news to the poor. He has sent Me to proclaim that captives will be released, that the blind will see, that the downtrodden will be free from their oppressors, and that the time of the Lord's favor has come."**

**Luke 4:18-19**

**New Name Ministries believes the captives are to first be set free within to be truly free.**

## Restorative Engagement Workshop\*

**"Create in me a pure heart..."  
Psalm 51:10**

\* Formerly known as the Healing Encounter.

## Testimonies:

“Encounter weekend has been an amazing experience that has helped me to realize the hurt areas in my heart. Now that I am aware of the ungodly beliefs that I have lived by for years, the Lord is changing my thinking and healing these places of brokenness, insecurity, and sin. Encounter weekend has affected my marriage, my family relationships, my friendships, and my business relationships.”

- Church Leader/Mentor

“It has transformed my life. It started an awareness in me of the strongholds around my heart that were keeping me from power and freedom that God had for me.”

- Business Owner

“I went into the Encounter thinking that I didn’t have any problems. There was resentment and other things that I knew about, but didn’t want to talk about. The Holy Spirit started to work and things came to the surface. After completing it, I felt I had lost 30 lbs. of excess baggage.”

- Arab-American Pastor

“Thanks for allowing me to open up and get rid of some past darkness. It does feel good to know that I am done with those things and now I can move on and let God fill all those new empty places with more of His Love and Blessings.”

- Dwayne M. Fort Worth, TX

These are just a few of the testimonies that have been communicated to us. As you can see, they are consistent with the dynamic impact of the Father’s love and care for each one of us.

## Ministry:

Each participant will be partnered with an individual who is attending the Restorative Engagement.

The process can also include recognizing any work of the enemy in our lives and overcoming it through the power of the cross of Jesus. This may mean overcoming struggles with sin and removing any blockages to a greater intimacy with God through confession and releasing in prayer.

Ministry Team: Presenters are people who have been through their own Workshop and have been trained in hearing the Holy Spirit and in prayer ministry.
