Introduction: You've recently spent a week honoring the other men in your home with a focus you are unaccustomed to. It might seem odd to imagine that this kind of thing might be exactly what you were created for. Now let's spend some time testing this theory.

Drill Down 1:

1. As you tried to figure out better way to honor your brothers and then you carried those ideas out, how did you feel?
 - a. Thinking about how you felt, did you get the sense that this was how your life was meant to be lived?
2. How did the atmosphere in your home change during this week?
 - a. Which felt more like you imagine the Kingdom is like, the week before Honor Wars or the week of Honor Wars?
3. How did the atmosphere in your heart change during this week?
 - a. During this week did you find yourself thinking more on things above or on earthly things? (Colossians 3:2)

Post Class Instructions: Continue to look for opportunities to honor those in your circle of influence. Challenge yourself to be the thermostat rather than the thermometer in your environment.
