Video/CD Title: 0303 The Framework of the Inner Man
Disc Start Time: 00:00

Author: Ed Corley
Disc End Time: 34:42

Instructions: This lesson is heavy with Greek word study. Don't let yourself get bogged down in this. Instead, focus on the main point that the way we think can be on a bent frame that needs to be straightened into alignment with the Kingdom of God.

Discussion 1: Ed Corley described 5 malformations or bent frames:

- The Adamic Frame of Mind – having to do with culture, family or church upbringing, or traditions
- The Carnal Frame of Mind – having to do with the desires of the flesh without necessarily the focus on sex
- The Haughty Frame of Mind – having to do with pride
- The Naughty Frame of Mind – having to do with base or impure things
- The Childish Frame of Mind – having to do with immaturity

Drill Down 1:

- Each person, share with the group which bent frame is predominant in your life and what evidence there is in your life that makes this true.
- After each person has had their turn, share what you feel you need to do to allow God to straighten your bent frame. Shallow, vague, or religious answers are not allowed.

Post Class Instructions: Do not be afraid to recognize a part of your way of thinking being aligned with one of these bent frames. When this is exposed in your life through recognizing your own choices, a brother's loving rebuke, or the working of the Holy Spirit, take it as an opportunity to grow in your faith instead running away from it.
