Video/CD Title: Naaman's Cleansing
Disc Start Time: 00:00

Author: Sy Rogers
Disc End Time: 42:50

Introduction: Much of our lives is governed by the perceptions of past experiences and our desire to be vindicated for our present associated pain. At the end of the day it all boils down to our relationship with God, or should we say, our level of trust in Him. As you watch and listen to this presentation make note of those parts that resonate with your soul and previous experiences.

Discussion 1: Walking with a limp – everyone has a limp, some people carry it in their heart, or their thinking. Prayerfully ask the Lord to expose your limp and touch it after answering the following questions.

Drill Down 1:

- As you transitioned from a young person to an adult, how did you view yourself and others?

- What has been the repeating theme in your relationships that have led to reinforcing your limp?

Discussion 2: No doubt there has been some measure of resistance in each of our lives to the fullness of what God has intended us to do, be, or think. He's not unaware or surprised by these shortcomings and totally happy to help us to overcome our fear of what He has for us. Ask the Lord to show you areas that have been sticking points in your spiritual and personal progress.

Drill Down 2:

- Share below the areas the Lord showed you that have been sticking points in your spiritual and personal progress.

- Create a strategy to receive what the Lord has for you and share it with your home.
